Subject: Road Vacation – APN 024-093-030 Melrose Avenue Extension, Cambria, CA

Dear Mr. and Mrs. Lowerison:

The County of San Luis Obispo Department of Public Works has completed a preliminary review of your road vacation request in accordance with the Road Vacation Processing Agreement dated August 29, 2012. The Department of Public Works did not generate any internal objections to your request.

It would be appropriate at this time to request a General Plan Conformity Report from the Department of Planning and Building. The completion of this report is necessary before proceeding further with the road vacation process.

A legal description and plat map for the requested road vacation area should be prepared once the Conformity Report is completed.

Please contact me at (805) 781-5290 if you have any questions.

Sincerely,

A handwritten signature in dark ink, appearing to read "Phil Acosta", is written over a light blue horizontal line.
